Re: Certification of the Use of Universal Service Funds
Pursuant to 47 C.F.R. § 54.314 and Telecommunications
Act § 254(e) Federal Communications Commission
CC Docket No. 96-45
(SCPSC Docket No. 2006-180-C)

Dear Ms. Boyd:

The South Carolina Telephone Coalition ("SCTC"), on behalf of its member companies, hereby requests that the Public Service Commission of South Carolina ("Commission") submit a letter to the Federal Communications Commission ("FCC") and the Universal Service Administrative Company ("USAC") verifying that the individual SCTC member companies shown on the attached list are in compliance with section 254(e) of the Telecommunications Act. Attached are company specific affidavits attesting to the fact that Federal Universal Service Funds will be used as intended in compliance with Section 254(e) of the Telecommunications Act.

The FCC's rules require that, in order for carriers to receive the federal support for which they are eligible, state commissions must file an annual certification with USAC and the FCC stating "that all federal high-cost support provided to such carriers [rural incumbent local exchange carriers and competitive carriers classified as eligible telecommunications carriers serving lines in an area of a rural incumbent local exchange carrier] will be used only for the provision, maintenance and upgrading of facilities and services for which the support is intended." 47 C.F.R. § 54.314. These certifications must be submitted by the state commission prior to October 1 of each year in order for the companies to receive the full federal funding for which they are eligible. Id.

The SCTC respectfully requests that the Commission issue a letter to the FCC and USAC certifying that SCTC's individual member companies are in compliance with section 254(e) of the Act.

The FCC requires that state regulatory authorities file a letter with the FCC and USAC certifying that rural carriers are in compliance with section 254(e) of the Act by October 1 of each year. The timing is critical, because if certification is not accomplished by October 1, 2010, federal support for universal service in the areas served by the rural carriers within South Carolina will not be provided for at least the first quarter of 2011. See 47 C.F.R. § 54.314(d). The SCTC respectfully requests that the Commission accept this letter and the attached affidavits as self-certification that the companies are in compliance with section 254(e), and that the Commission issue a letter to the FCC and USAC prior to October 1, 2010, notifying them that the SCTC member companies are eligible to receive federal universal service support in accordance with Section 254(e) of the Telecommunications Act and 47 C.F.R § 54.314.

We are submitting this request pursuant to the above-cited federal law and in compliance with Commission Regulation 103-690.1(C).

Please let me know if you have any questions about this matter or if we can provide anything further.

Very Truly Yours
